Re: Donation of medical supplies to medical team going to Zimbabwe.

Dear Adrian,

I am sitting here in my office looking at boxes of supplies that contain items recently donated to us by Surgical House via Perth Eye Hospital for our upcoming medical trip to Zimbabwe during September.

The syringes, gloves and dressings are all very important items for our team as they provide health care in the communities.

We really appreciate the generosity of Surgical House in assisting our team to continue to operate effectively while in Zimbabwe.

Thank you for your support.

Warm regards
