

Surgical House Invites Expressions of Interest for:

Foundations to Advanced

Wound Management & Skin Integrity Workshops

Session 1:

FUNDAMENTALS OF WOUND MANAGEMENT

Tuesday 27 October 2026, 9:30am - 3:00pm

Session 2:

ADVANCED WOUND MANAGEMENT & SKIN INTEGRITY

Thursday 19 November 2026, 9:30am - 3:00pm

Venue: Surgical House Community Training Centre
46 King Edward Rd, Osborne Park, WA 6017.

Cost: \$29.95 per session

These sessions are designed for all nursing professionals working in disability and aged care.

Session 1: Tuesday 27 October 2026

Fundamentals of Wound Management

Build a strong foundation in wound care by exploring wound healing, assessment, skin integrity, and the prevention and management of IAD and MASD. Learn evidence-based strategies to protect skin, prevent infection, and accurately identify and document skin damage.

Session 2: Thursday 19 November 2026

Advanced Wound Management & Skin Integrity. Enhance your clinical skills in comprehensive wound assessment, diagnosis, and management. This session covers wound classification, infection prevention, documentation and clinical photography, factors affecting wound healing, and Aged Care Standards to support best practice outcomes.

Join our guest speaker Hayley Ryan RN, MBA, GC Wound Management (Distinction), PhD(c) is an internationally recognised Clinical Nurse Consultant, researcher, educator, and Founder and Director of WoundRescue Pty Ltd who will guide you through both sessions. With over 20 years of experience across acute, community, disability, and primary care, she is a leading expert in wound management, skin integrity, and clinical governance. Hayley is a Chief Investigator on the NHMRC ENABLE Partnership Grant, a PhD researcher at the University of Newcastle, and holds adjunct academic appointments.

A former Chair of Wounds Australia, she now Co-Chairs the Australian Government's Chronic Wound Consumables Scheme Expert Advisory Group and serves on the Board of Diabetes Feet Australia. An award-winning clinician and international speaker, Hayley is passionate about advancing evidence-based, person-centred wound care.

Foundations to Advanced Wound Management & Skin Integrity Workshops

PRESENTED BY HAYLEY RYAN

Session 1: FUNDAMENTALS OF WOUND MANAGEMENT

Tuesday 27 October 2026

9:30am to 3pm

By the end of this workshop, participants will be able to:

- Recognise factors that delay wound healing and apply a structured approach to assessment.
- Identify the causes and risk factors for IAD and MASD.
- Implement effective skin protection strategies to reduce skin damage.
- Differentiate IAD from pressure injuries and document findings accurately.
- Apply evidence-based management principles for skin integrity, including infection prevention and treatment.

Session 2: ADVANCED WOUND MANAGEMENT & SKIN INTEGRITY

Thursday 19 November 2026

9:30am to 3pm

By the end of this workshop, participants will be able to:

- Conduct comprehensive wound assessments and formulate accurate diagnoses
- Identify and classify common wound aetiologies
- Apply infection prevention and control principles to wound care
- Understand documentation best practices, including clinical photography
- Demonstrate awareness of factors influencing wound healing
- Overview of the Aged Care Standards and compliance requirements to support best practice outcomes

These sessions are designed for all nursing professionals working in disability and aged care.
