How much difference can the **right nutrition support, at the right time**, make to a person's health, wellbeing and quality of life? Join **Surgical House** for **Nutrition Without Limits** - a free community event bringing specialist nutrition education, products, equipment and clinical expertise together in one accessible space.

KEYNOTE 11:30AM - 12:15PM

DR BROOKE HARCOURT

Earlier Nutrition, Better Outcomes: Why Early Dietetic Intervention Can Change the Health Journey

Brooke will explore how recognising nutrition challenges and accessing individualised dietetic support earlier can make a meaningful difference for people living with disability and complex nutrition needs.

COMMUNITY SHOWCASE 12:15PM - 1:30PM

Explore a hands-on showcase of specialised nutrition formulas, oral nutrition supplements, enteral feeding products, supplies and equipment from leading suppliers. Clinical experts from Surgical House's supporting supplier sponsors will be available throughout the showcase to demonstrate products, answer questions and help attendees better understand the different options available in community nutrition and enteral feeding.
