

Blended by Sarah

Whole food nutrition, made for enteral feeding

Choice and dignity, one blend at a time.

Blended by Sarah is Australia's only whole food, shelf stable range for tube fed children and adults. Every blend is made with whole fruits, vegetables and proteins, with no additives, no preservatives and no artificial sugars.

Key benefits:

- Whole food ingredients, no nasties
- Energy dense to support nutritional needs
- Available through the NDIS funding
- Listed on NSW State Health and Northern Territory Health enteral feeding contracts
- Shelf stable, easy to store and take on the go
