

Easy Breather Pillow

Luxurious comfortable memoryfoam pillow purpose-designed to encourage easier breathing & compatible with CPAP masks.

Unimpeded breathing environment for increased air flow.

Unique patented scalloping on both sides ensures the mouth and nose are kept free of obstruction for unrestricted air flow.

Snugly accommodates either nasal or full-face CPAP masks.

- Pressure-diffusing memory foam alleviates mask and nozzle pressure to face.
- Frees up air hose, improves airway alignment, keeps mask in place.
- Anti-bacterial-treated to inhibit dust mites and other protein matter.

Memory Foam
Traditional Foam

100% Premium Foam Made in Australia.

Utilising world leading foam production VPF Technology. Exceeds all Australasian & Global Environmental Regulations.

Designed by the Best.

Created in conjunction with Australian Health Professionals to support the natural curvature of the spine and provide even support for your body.

Sleep Safely & in Good Health.
