MEN WASHABLE ABSORBENT BRIEFS

FOR BLOKES

Depend Men Advanced Protection Washable Underwear offer advanced protection for men with drips and dribbles. These are real washable briefs designed specifically for active men with advanced moisture wicking technology.

Our briefs absorb up to 100ml of fluid; the equivalent of 20 teaspoons. Just wear, wash and wear again – up to 50 washes for peak performance.

Available in a range of sizes, in a comfortable classic brief you can Depend on.
