

# TLL4078 FOLDED CLEANING CLOTH

TLL4078 cleaning cloths are strong and absorbent cloths suitable for a range of cleaning applications but also ideal as a replacement for laundered tea towels. They are an economical solution with excellent wet strength and durability. TLL4078 cleaning cloths reduce the risk of cross-contamination compared to reused unhygienic tea towels. These cloths are great for polishing glassware and are a suitable replacement for Tork 530177, 530178, 510478, and 510178.

- HACCP approved and suitable for food contact surfaces
- Tough, soft and durable. Use wet or dry
- Cost efficient, strong and absorbent
- Quick and efficient removal of surface contaminants
- Consistent sheet size, shape and quality
- Fits most popular brand dispensers
