Take it easy!

Introducing a new medication lubricant that aids in swallowing tablets with ease!

Precise® Tablet Ease is a smooth swallowing aid that makes taking medicines easier. Specifically designed for those with dysphagia, Tablet Ease is a universal swallowing gel that can assist anyone who struggles to swallow whole tablets and capsules. This pleasant-tasting medication lubricant will help you swallow tablets and pills hassle-free.

An estimated 1 million Aussies have difficulty with swallowing [1]. The impact of swallowing disorders, such as dysphagia, remains widespread and debilitating.
