 real food option  
 for children and  
 adults.

# THE WHOLESOME BLENDS STORY

Wholesome Blends is Australia's leading whole food option for tube fed children and adults.

Our pouches offer a variety in your tubies diet not a sole source of nutrition.

We believe in a variety, of nutrients, not consuming the same thing every day.

Designed as an easy, nutritious and convenient way to eat via bolus.

Wholesome Blends is shelf stable, does not need to be refrigerated unopened and is mess free.

Wholesome Blends is honest, real food made by a tubie family for your tubie family.

Use in consultation with your medical team.

Wholesome Blends is Food for Special Medical Purpose under the Food Standards Australia and New Zealand regulations.
